

Important Notes:

- Fill water bottles prior to hike.
- Secure car keys in a safe place in your pack, leave spare keys with a friend.
- Check for an updated weather forecast.
- Inform trail office and a friend (staying behind) of your itinerary.
- Check trail conditions with local management.
- Make sure you have emergency contact numbers for the area.

This checklist is a guide and may be useful in reminding you of some items you may have forgotten, you certainly won't want to carry all the gear. Remember the lighter the better.

Sleeping Gear		Navigation		Toiletries

Tent Repairs

When it comes to tent repairs, modifying or customizing caravan tents specifically, Canvas & Aluminium Concepts are market leaders. With over 20 years experience in the camping game we understand what the market trends are and will listen to and discuss your requests. Clive and his team will offer advice and make suggestions so as to give you, the customer, the absolute best final product.

Only top quality fabrics, YKK zippers, and consumables are used so as to ensure a quality repair. No job too large or small. Repairs to all makes of tents, both nylon and canvas are undertaken.

We are the preferred service provider to all the major caravan dealers in the PWV undertaking all major and minor repairs to all makes of caravan tents and associated canvas products. Repairs from the public are welcome.
